The Rio Linda Elverta Recreation and Park District is thrilled to produce the Fall and Winter 2023 edition of the Rio Linda Elverta Recreation and Park District's Activity Guide. The Park District completed a phenomenal spring and summer with increased programming, fun day camps, family events, and a very successful summer at the pool! We are looking forward to an amazing Fall and Winter Season. This version of our Activity Guide is being produced electronically and will be available on our website at www.rleparks.com.

There are some great special events planned for the Fall and Winter. This begins with our annual Trunk-or-Treat event scheduled for Friday, October 27th at the Rio Linda Community Center and extra special this year, the Recreation Division is including a Haunted House at our Depot Building on both Friday, October 27th and Saturday, October 28th. The Veterans' Day Flag event will take place at Depot Park on November 11th. Breakfast with Santa is scheduled for the morning of December 9th at the Community Center with special fun and crafts for the whole family. This will take place prior to the Tree Lighting and Christmas Light Parade.

The Parks Division has been hard at work. On September 9th the Park District will be hosting a Ribbon Cutting at Westside Park to dedicate the new shade structure, cornhole courts, walking paths, and restroom building. This is the facelift that this park has needed for a long time and thanks to funding from both Sacramento County and the State of California, we are happy to bring it to you. Our very own Parks and Maintenance crew finished off the project with the irrigation and plantings that you will see out there.

For other amazing Community Events, please join us at the 10th Annual RLE Country Faire on Saturday, September 16th as well as our Annual Fire Engine/Firehouse fundraising dinner set for Saturday, October 21st at the Community Center. Please contact the Park District if you would like tickets for this event.

Our facilities are open to rental opportunities. If you are looking for a special place to host an Anniversary, Quinceañera, Holiday Party, Birthday, etc. we may have the right facility at the right price for you. Please contact us at 916-991-5929 or on our website at www.rleparks.com/facility-rentals.

We are always looking for feedback and suggestions for new or existing programs. If you have an idea for something new or different, or would like to comment on our current offerings, please contact the District Offices at 916-991-5929 or fill out a contact form on our website at www.rleparks.com/contact-us. Remember that Parks Make Life Better!

Yours in Recreation,

Mike Heller
