Chairperson - Wayne Del Nero

Vice Chairperson - Troy Golden

Secretary - Lisa L. Morris

Director - Deanna Read

Director - Charlea R. Moore

Welcome to the Rio Linda Elverta Recreation and Park District's Fall/Winter 2026 Activity Guide! This publication is packed with some exciting events, programs, and classes. It is also one of our favorite times of year as the trees turn color and the temperatures become cooler.

We are thrilled to announce that the playground at Community Center Park is getting a much needed makeover. In September we will be closing the playground area for approximately 8-10 weeks as we remove the existing structure and replace it. This structure is well over 20 years old. The replacement will be full of interactive amenities for children of all ages and abilities. We expect to re-open the new playground in November and will have plenty of notice go out to our residents in anticipation of this event.

The Recreation and Park District is scheduling a series of public meetings as part of our requirement for eligibility of a California Statewide Park Program Grant for the rehabilitation and renovations of Central Park and the Horse Arena. The upcoming public meetings will be advertised on our website at www.rleparks.com/district-updates. We encourage all residents to attend a meeting and provide us with your thoughts on this exciting project. To date, the District has secured \$2,000,000.00 in federal grant dollars for Central Park.

This Fall the Rio Linda Elverta Recreation and Park District looks forward to welcoming the Community to some of our favorite special events. This includes our annual Trunk or Treat and Haunted House on October 23rd at the Community Center. On November 11th we will partner with Girl Scouts Troop 365 to present our annual Flag Display to honor those who served to protect our nation. We will also hear from some special guests who represented our country. On December 12th we will kick off the Community Christmas events with our annual Breakfast with Santa. Following the Breakfast will be a full day of Christmas themed events throughout the community and will finish with the annual Tree Lighting and Christmas Light Parade down M Street in the early evening. Other events include the Firehouse Fundraising Dinner, which is open to all on October 10th. Please contact the Recreation and Park District for tickets. We will also host our annual Valentine's Bingo in February. This has been a great event for our community.

Our Recreation Division continues to plan and program activities for the entire family. Programs include Arts & Crafts, sports, and enrichment classes. There is something for all members of the family. Please enjoy the upcoming season by participating in a class or program or come by and spend some time in a park.

Are you looking for a space to host your party or event? Consider renting out the Community Center or Depot Building. We are flexible and have a space for your entire party. Please contact us at 916-991-5929 or on our website at www.rleparks.com/facility-rentals.

We are always looking for feedback and suggestions for new or existing programs. If you have an idea for something new or different, or would like to comment on our current offerings, please contact the District Offices at 916-991-5929 or fill out a contact form on our website at www.rleparks.com/contact-us. Remember that Parks Make Life Better!
