Welcome to the Spring/Summer 2024 edition of the Rio Linda Elverta Recreation and Park District's Activity Guide! Like you, the Recreation and Park District has faced some extreme winter weather, and we are ready for the sunshine and warmth of the Spring and Summer.

As always, Spring provides us with a fresh perspective as everything is new and the sun begins to warm us. This spring we are looking to enhance our activities and community events and we certainly hope that you can come out and join us. Also, the Summer season is expected to be full of amazing experiences for residents of all ages.

This version of our Activity Guide has been produced electronically and will be available on our website at www.rleparks.com. Our annual Eggstravaganza is scheduled for Saturday, March 23rd and Movies in the Park will return over the late Spring and Summer. We will also be bringing back our popular Swim-In movie at the Community Pool located at Rio Linda High School.

The pool is scheduled to open on June 14th! Please see the aquatics section of the guide for your swim lesson needs. Also, the Rio Linda Elverta AquaKnights youth swim team will begin their season in April. Registration is open now for youth and teens. The swim team had another amazing season in 2023 and we are looking to build on that this year.

The Recreation and Park District is looking for summer staff and lifeguards. Application forms are available on our website as well as at the Recreation and Park District office. We have great incentives built in for our lifeguard staff.

The Recreation and Park District is working on updating their Strategic Plan. Please stay tuned to our Social Media and website for upcoming events to get involved. If you would like to be included on Strategic Plan updates and/or sit on a resident committee for this project, please reach out to the Recreation and Parks District at info@rleparks.com or call us at (916) 991-5929 and ask about the Strategic Plan update.

If you have any suggestions or ideas for new or different programs and events (for any age level), or you would like to comment on a program that is currently taking place, please contact the District Offices at 916-991-5929 or fill out a contact form on our website at www.rleparks.com/contact-us. Remember that Parks Make Life Better!

Yours in Recreation,

Mike Heller
